Hello,

Please place them right outside the G3 trashroom on the east side. Our staff will bring them in.

Subject: Recycling books

Hi, Sonya,

We have a few books (both paperback and hardcover) that can't be donated because of their age, and we want to recycle them. I just want to make sure that the following is still the current recommendation. This is from the September 2 2022 4620 News Roundup: 'If you plan to recycle your books, please bring them to the G3 cardboard dumpster so that porters do not need to lift them out of the recycling bins.'

Thanks, just verifying since the signs on the dumpster say 'Cardboard Only'.

Thanks so much.
