SAFETY AND UPKEEP TIP

To avoid damaging the garage doors and your vehicle, don't piggy-back on another vehicle while entering or leaving the garage. Always use your garage door opener.

Mark your calendar for May 7th for a 4620 Building Tour

Join the Safety and Upkeep committee for a tour of our building that will highlight emergency exit routes, including stairwells and garage exits. Meet us in the lobby. We will leave in small groups. Tours will be offered at 5:00, 5:30 and 6:00. Each tour will take about 20 minutes.
