

4620 News Roundup

SAFETY AND UPKEEP TIP

Did you burn dinner again or over cook the bacon? Turn on your kitchen exhaust fan! Do not open your unit door or balcony door or windows. Opening the balcony door draws fresh air into your unit and pushes the smoke and smells out into the common hallway. Best practice, turn on the fan BEFORE you start dinner.

Mark your calendar for May 7th for a 4620 Building Tour

Join the Safety and Upkeep committee for a tour of our building that will highlight emergency exit routes, including stairwells and garage exits. Meet us in the lobby. We will leave in small groups. Tours will be offered at 5:00, 5:30 and 6:00. Each tour will take about 20 minutes.

Signed up to attend May 4 Potluck? Remember those non-perishables!

If you're among the 83 residents who have told the Social Committee (on the clipboard at the front desk) that you'll attend 4620's Springtime Potluck this Sunday, committee members thank you for helping them plan beverage and dessert quantities. In addition to the main or side dish for 6-8 you're bringing, don't forget to bring one or more nutritious non-perishable food items for Bethesda Help Food Pantry. Nothing in glass, please! The potluck supper will be in the Party Room from 5:30-7:30 p.m. on Sunday.

Wine Wednesday

Wine Wednesday will be on summer hiatus from May through October 8 when we will resume gathering.

Friendship Heights Village Center

The Village Center is open Monday through Thursday, 9 am to 9 pm; Friday, 9 am to 5 pm; and Saturday and Sunday, 9 am to 2 pm. The Friendship Heights Village News is available at the front desk. Concerts are held every Wednesday of the month from 7 to 8 pm in Huntley Hall in the Village Center.

File of Life cards are available at the front desk. Complete the long white emergency medical data card and fill out both sides with your personal medical information in pencil, since it may need to be updated in the future. Print clearly. These cards come with a magnetic red holder that can be placed on your refrigerator door. Montgomery County 911 emergency response crews are trained to look for these files on your refrigerator. If you have an emergency, this file will give them valuable information immediately that could save your life. The cards were provided by the Friendship Heights Village Center.
